SUBJECT:

Authorization to Accept Donation from Lockheed Martin Aeronautics Company for the Environmental Management Department's Education Program and Adopt Appropriation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

1. Authorize the City Manager to accept a donation in the amount of \$6,000 from Lockheed Martin Aeronautics Company for the Environmental Management Department's education program; and
2. Adopt the attached appropriation ordinance increasing estimated receipts and appropriations in the Environmental Management Fund by \$6,000.

DISCUSSION:

Lockheed Martin Aeronautics Company has again made a donation to the Environmental Management Department for environmental education initiatives. The Department will use these funds to participate in the Fort Worth Star Telegram's "Newspaper in Education" (NIE) program in April 2007. Distribution of the newspaper is made to hundreds of schools in Tarrant County with an insert featuring topics and activities on environmental issues as a promotion of Earth Day held each year in April. The theme for the April 2007 insert has not yet been selected but in prior years, topics have included air quality, recycling, composting, litter prevention, storm water pollution prevention and household chemical safety and disposal.

The estimated cost for the NIE program is \$5,000. The balance of the funds will be used for the Clean Air Fair event in April 2007 in downtown Fort Worth.

FISCAL INFORMATION/CERTIFICATION:

The Finance Director certifies that upon approval of the above recommendation and adoption of the attached appropriation ordinance, funds will be available in the current operating budget, as appropriated, of the Environmental Management Fund. The Environmental Management Department will be responsible for the collection and deposit of the funds.
